

**Juan Espinosa**  
**Varsity Pitching Coach**

This will be Coach Espinosa's first stint with the Falcons in 2019 as the Varsity Pitching Coach. Espinosa grew up in Miami, FL where he attended Catholic-based St. Michael the Archangel Middle School and Christopher Columbus High School. He later played two seasons of Varsity Baseball at Florida Christian High School.

Espinosa signed with the University of Northwestern Ohio in the Winter of 2010 during his senior season at FCS. Upon completion of his undergraduate degree in 2014, Espinosa had earned an Associate of Applied Business Sport Management, and a Bachelor's of Science in Specialized Studies.

With collegiate athletics in the past, Espinosa knew he was not yet ready to end his playing career. He became involved with an online pitching program known as 'Top Velocity,' based in New Orleans. After spending the next year and a half training under the TopV program, he saw his velocity increase 5 MPH, and credits this program for initiating his career in professional baseball. His next three seasons were spent with the Sonoma Stompers of the Pacific Association.

Espinosa's line in professional baseball looks like this: 3.83 ERA, 230 IP, 71 BB, 201 SO. His full stats can be seen on <https://www.baseball-reference.com/register/player.fcgi?id=espino003jua>.

Additionally, he furthered his education by earning a Master's of Science in Sport Management from Southern New Hampshire University in 2017. Espinosa enjoys applying his personal experiences and knowledge to train pitchers of all ages at GAC Fitness in Springboro, OH. He is excited to bring Top Velocity principles and teachings to the pitching staff at Bishop Fenwick High School.
