

Bishop Fenwick Dance Team Auditions 2019-2020

Thank you for your interest in auditioning for the Bishop Fenwick Dance Team!

The Dance Team is a varsity sport. We perform at home varsity basketball games during half-time. We will plan to dance at most Friday and Saturday Varsity Basketball home games. We also dance at pep rallies and Falcon for a Day in January (during the school day).

We will have mandatory practices from early October until mid-February. Practices will primarily be on Sunday evenings from 7-8:30 PM. If extra rehearsal time is needed, we may take advantage of school holidays. All dancers must attend practice unless they have informed the coach of a conflict in advance.

Audition Dates are as follows...

Sunday, September 29 from 2-4 PM in the Bishop Fenwick Aux. Gym

Dancers will learn choreography that they will perform at auditions and go over other audition requirements – leaps, turns and kick lines.

Tuesday, October 1 from 8-9:00 AM in the Bishop Fenwick Aux. Gym

Dancers will audition before a panel of judges. This is a delay start day, so you will not miss class. Results of auditions will be announced by Thursday, October 4th.

*****IMPORTANT NOTE***** Prior to auditions on Sunday, September 29th, students and parents must log onto FinalForms, **add student to 2019-2020 Dance Team, complete and sign all forms, and submit a current Sports Physical** to the Fenwick Athletic Office.

There will be a mandatory meeting for 2019-2020 Dance Team members and parents on Sunday, October 6th at 7 PM in the Bishop Fenwick cafeteria.

Here are a few important notes about the Bishop Fenwick Dance Team:

- Our practices are strictly focused on learning choreography for performances. We do not have time to teach dance skills. Therefore, **all dancers MUST have previous dance training.**
- All Dance Team members are subject to Bishop Fenwick High School's athletics and co-curricular eligibility standards. For details, please review "Bishop Fenwick Eligibility" in the BFHS Student Handbook.

If you have any questions, please do not hesitate to contact me.

Thank you – and GO FALCONS!
