

Bishop Fenwick High School – 2022-2023
Athletic Transportation Release Form - Private Transportation to Athletic Event

Transportation for athletic events shall be made by third party transportation services whenever possible. Privately owned vehicles may be used for student transportation when, in the opinion of the Athletic Director or his/her designee, it is the most practical or only possible method of transportation available. Parents will be notified when the School transportation is not being used and students are required to be transported in private vehicles.

When third party transportation is not available and other alternative forms of transportation are utilized, the School cannot and does not assume any responsibility for the safety, training of drivers, condition of vehicles, adequacy for the use or purpose intended, or any other matters related to private transportation.

Therefore, we, the undersigned parent/guardian and student, hereby acknowledge, agree and understand that the School does not insure, endorse, approve or sponsor any form of private transportation, whether by parents, students or otherwise, to and from off campus athletic events. We further acknowledge it is our responsibility to provide or arrange for our/my child's transportation to athletic events when School transportation is not available. As such, we consent to our child's use of an alternative means of transportation, including private vehicles driven by parents, and if applicable, consent to our child's use of a vehicle to transport himself/herself to the off campus athletic event. We hereby waive, release, discharge and agree to hold harmless and indemnify Archbishop Dennis M. Schnurr, or his successor, the Archdiocese of Cincinnati and Bishop Fenwick High School, its agents, employees, insurers and Board of Trustees, from any claim, cause of action, damage, injury, or demand of any nature, including bodily injury, property damage or death, arising from or sustained during or as a result of my/our child's utilization of or participation in any private transportation, whether furnished by us, our student, another student, parent or otherwise.

Private vehicle transportation will comply with the Decree on Child Protection transportation of children.
