

NO OTHER TEAM TREATS AS MANY TEAMS.

As the official sports medicine provider for 42 area schools, including the University of Dayton and Wright State University, Premier Health treats more student athletes than anyone else in the region. From injury prevention, treatment and sports performance, our team of board-certified sports medicine and orthopedic physicians, athletic trainers and rehabilitation specialists offers a comprehensive program focused on the goals of each patient. To learn more or to find a Premier Health Sports Medicine specialist near you, visit premierhealth.com/sportsmed or call (866) 608-3463.
