

COACH'S TRANSFORMATIONAL PURPOSE

Define the word coach

A coach is someone who leads others to personal improvement and provides mentoring, support, and encouragement in accomplishing a goal.

My core values as a coach

Performance Character Skills: Discipline and Determination

Moral Character Skills: Integrity and Compassion

My purpose as a coach

My purpose as a coach is to instill discipline and determination in our student-athletes, both in athletics and academics, in a way that both demonstrates and inspires integrity and compassion.

My definition of success

Working hard towards a goal and growing, not only as an athlete, but as a person.

How do I measure success?

Development of skills and overall growth, both in and out of the sport, and continued dedication to individual and team goals.
