Thursday, September 20, 2018

Due to the prediction of severe weather, the start time of the varsity football game between the Harrison Wildcats and the Edgewood Cougars on Friday, September 21, 2018 at Bill Kuntz Field at Harrison High School is being pushed back. The game is now scheduled to kick off at 8:30 PM. Forecasts indicate that the threat for severe weather will have moved out of the area by this time.

The ticket windows and stadium gates will not open until 7:30 PM at the earliest, depending on the weather conditions. Please do not leave students unattended outside a vehicle until any severe weather has cleared the area.

Please be alert to changing weather conditions that could further impact the timing of the event.

As a result of these circumstances, Harrison Youth Football night is cancelled. The game is still a "yellow out", and all fans in attendance are encouraged wear yellow in support of our Special Olympics "Acceptance Week" at Harrison High School, which was organized by sophomore Raileigh Legner.
