

*“The Official Sports Medicine Provider for the Southwest Local School District”*

Mercy Health Orthopaedics and Sports Medicine is proud to provide sports medicine services to Harrison High School and the Southwest Local School District. The medical team is here for you. James Budde and Sara Bischel are certified athletic trainers and will be making after school visits throughout the year and covering many home events at both the High School and Jr. High. If you have any questions, feel free to contact them.

### **Harrison HS & Jr. Hi Medical Team:**

James Budde, ATC  
[jpbudde@mercy.com](mailto:jpbudde@mercy.com)  
Cell #: 937-238-0733

James did his undergraduate work at Eastern Kentucky University and received his master’s degree from Austin Peay State University in Tennessee. He is certified by The National Athletic Trainers Association BOC and the American Heart Association.

Sara Bischel, ATC  
[smbischel@mercy.com](mailto:smbischel@mercy.com)  
Cell #: 513-490-9536

Sara grew up in Harrison and graduated from Miami University. She has worked with many teams including basketball, baseball, tennis, and track. She was a volunteer as part of the emergency response team for Oxford’s Fire Department and played basketball while attending Miami Hamilton.

John Zisko, MD  
513-232-2663

Dr. Zisko is a sports medicine specialist and team physician for Harrison High School. He has office hours on the West Side at 6045 Bridgetown Rd., Cincinnati, OH 45248.

### **CONVENIENT LOCATION FOR CARE:**

Mercy Health Orthopaedics and Sports Medicine has several offices throughout Greater Cincinnati including a convenient location for the Southwest Local School District:

- 6045 Bridgetown Rd., Cincinnati, OH 45248 (513-232-2663)

### **SATURDAY AM SPORTS INJURY & AFTER HOURS CLINICS**

Saturday AM Sports Injury Clinics and Weekday After Hours Clinics are available at select locations throughout the year. Contact James or Sara for more details or to help schedule an appointment.
