

Harrison Junior Golf Association Spring Program

We are excited to announce the Harrison Junior Golf Association (HJGA) Spring Program. The HJGA is designed to develop youth golfers in the Harrison area to prepare them to play at the high school level.

We will only meet 1 night a week for the Spring Session. Each week, golfers will work on the fundamentals of golf, rules of the game and proper etiquette of golf.

I am working to get matches schedule for the Fall of 2019! I am hoping to get at least 10-15 matches for our Jr. High Team. More details to come!
