

## Golf Clinic Mission Statement

The goal of the camp is to provide an enjoyable experience learning the game of golf while simultaneously creating a strong foundation of skills and knowledge necessary to enjoy this unique sport for a lifetime. To supplement group instruction, each camper will receive individual instruction each day and they will be given ample time to practice the lessons taught at the driving range, putting green, and on the golf course. The students will be taught USGA rules and etiquette to help them understand the game of golf.
