

The Los Banos HS Sports Boosters Club is comprised of parents, staff and community volunteers who are passionately dedicated to improving the athletic experiences of every student-athlete. We are a 501(c)3 non-profit organization with the primary responsibility of raising funds to support the LBHS athletic program. We fund scholarships and purchase additional equipment for all sports.

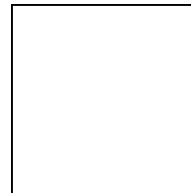

Last year LBHS had 454 student athletes, both boys and girls, on 41 teams, playing 13 different sports. Please contribute to their success by signing up for one of the yearly memberships we have available.

By becoming a member of the LBHS Sports Boosters you will be supporting all athletic programs at the school. The various membership levels will allow you to choose the extent to which you can contribute. In return, we will provide you with benefits such as Tiger Apparel, newsletters, decals, tickets, reserved parking and free sports programs. You will be contacted regarding your benefits once we receive your paid membership. Please remember to include phone number and email address.

Simply take a look at the membership options, check the membership level you would like to sign up for and return the form to the address listed.
