

Bledsoe Wraptor Ankle Stabilizer

New features include:

- **Figure 8 Strapping Design:** Strapping design more closely mimics an ankle taping.
- **Optimal Fit:** Elastic forefoot material and new carcass design for better fit without gapping.
- **New Materials:** Sharkskin material grips the bottom of the foot or sock and decreases slipping.
- **Breathability:** Spacer Mesh lining wicks moisture away while increasing breathability.

Size Chart: Sizing is based on basic shoe size. For narrow feet choose one size smaller and for wide feet choose one size larger.
