

2017 MOELLER SOCCER

Mission Statement:

The Moeller soccer program is more than just a team of competitors with athletic success as our sole focus. Above all, we are a brotherhood that joins together to grow each individual into a true Man of Moeller. This is done through the emphasis & cultivation of 6 key areas in each of our student athletes:

His Faith. We recognize commitment to our faith as the center of our lives.

His Family. We welcome and encourage the family of each student athlete to become a part of the team and recognize the value family involvement brings to both the student athletes and the overall program.

His Life. We provide an environment in which the student athletes learn what it means to be successful, well-rounded members of the community.

His Academics. We encourage and support our student athlete's academic endeavors to create top achievers in the classroom.

His Future. We cultivate the individual strengths and skills of each student athlete to assist them in reaching their academic, athletic and career goals.

His Athletics. We recognize and mentor each student athlete to reach their fullest athletic potential with the common goal of becoming a champion.
