

Application for Princeton Cheerleading

I understand by the very nature of the activity, cheerleading and gymnastics carry a risk of physical injury. No matter how careful the participant and coach are, how many spotters are used, or what landing surface is used, the risk cannot be eliminated. The risk of injury includes minor injuries such as muscle pulls, dislocation, and broken bones. The risk also includes catastrophic injuries such as permanent paralysis or even death from landing or falls on the back, neck, or head. I understand these risks and will not hold Princeton High School or any of its personnel responsible in the case of accident or injury at any time.

I understand that my daughter/son will be evaluated by qualified judges, and we agree to abide by the decision of the judges.

My child, _____ has my permission to tryout to become a cheerleader at Princeton High School. I understand that he/she must abide by the rules and regulations set forth by the advisor, athletic director and the principal of Princeton High School, and be present for all practices, clinics, camps and games. I have read the rules and regulations and understand that the violation of any of these rules may lead to temporary or permanent suspension from the squad. I understand that I must provide timely transportation to and from practices, games and events when necessary. I understand that all forms attached must be completed and turned in during the tryout clinics, or my child will not be allowed to tryout.
