

“The Official Sports Medicine Provider for the Southwest Local School District”

Mercy Health Orthopaedics and Sports Medicine is proud to provide athletic trainers Abby Walters and Helen Brink to Harrison High School and Junior High School. They will be available daily for after school visits and will be covering many home events throughout the year. Should your child or family member need to see a physician, Dr. John Zisko and his partners are available on the West Side for your convenience (see below).

Harrison High School and Junior High School Medical Team:

John Zisko, MD
